

WOW! Internet, Cable & Phone Announces 1 Gig Internet Expansion in Huntsville

Expanded 1 Gig Footprint Showcases WOW!'s Commitment to Thriving Technology Community in Alabama

Englewood, Colo. – June 27, 2017 – [WOW! Internet, Cable & Phone](#), one of the nation's leading broadband providers, today announced the network expansion of broadband speeds up to 1 gigabit per second (Gbps) in Huntsville, Alabama. WOW! residential and business services are now available to 30,000 customers in the Huntsville community, doubling the amount of customers able to receive the high-speed Internet service since it was introduced to Huntsville in October 2016.

WOW! currently offers residential and business services in the Madison, Harvest, North Huntsville and South Huntsville neighborhoods. The expansion of WOW!'s 1 Gig Internet footprint comes eight months after the company's initial launch of 1 Gig for Huntsville residents. As a community with an emerging technology presence, the expansion solidifies WOW!'s continued investment in the Huntsville's schools, businesses and residents, to facilitate the city's growth and innovation. With a better Internet, cable and phone experience now available to Huntsville residents, WOW! eagerly welcomes the opportunity to bring high-speed Internet and nicer-than-nice customer service to the community of Huntsville.

"WOW! is always exploring the opportunity to bring better Internet to communities hungry for an alternative to their current provider," said Greg Argetsinger, WOW! Area Vice President & General Manager. "With WOW!'s leading residential and business offerings and our exceptional customer service, our mission is to provide better Internet at the best possible value."

WOW! residential services are easily bundled to provide the fastest Internet speeds with the TV and phone packages best suited to each customer's needs. WOW! offers four residential Internet speeds: Internet 10 – 10Mbps, Internet 100 – 100Mbps, Internet 500 – 500Mbps and Internet 1000, WOW!'s 1Gbps offering – the fastest residential speed in WOW!'s bundles.

[WOW! Business](#) offers a multitude of diverse, all-inclusive solutions for small, medium and large enterprise businesses. By providing the right communications solution to enable businesses to improve performance, enhance reliability and simplify enterprise communications management, Huntsville customers can grow their business to meet consumer demands.
